

# Directions to Cotswold Classics

Unit 30, Ullenwood Court, Ullenwood, Cheltenham, Gloucestershire GL53 9QS

The place to head for is either Junction 11A of the M5 or the Junction of the A417/A419 from Swindon/Cirencester with the A436 near Birdlip. That junction is a roundabout and is by a pub called the Air Balloon. From that roundabout you need to take the A436 exit (signed Oxford, Stow) and take the immediate first left turn onto a minor road (signed Leckhampton, Ullenwood). Follow this minor road for about 1/2 mile and keep looking out on your left for a section of stone wall and a field with a windsock in it. There is a concealed entrance into what looks like a private drive on the left and this is the entrance into Ullenwood Court. Turn in here and go over two speed bumps. Keep going up the drive, past a yellow post box and bear right behind some conifer trees. Two more speed bumps and stay on the main service road. Don't take the first left after those speed bumps. Follow the road round to the left and uphill and we are the second unit on the right up there.
